With Excellent*

Roof Deck Protection

Excellent-Quality Roof Deck Protection Can Protect And Beautify At The Same Time!

Quality roof deck protection (often referred to as “tar paper” or “felt”) provides an extra layer of protection between your shingles and your roof deck. It helps prevent wind-driven rain (or water from other sources) from infiltrating under your shingles and causing damage to your roof structure or the inside of your home. It will also:

- Lie flatter than conventional organic felt and reduce “telegraphing” wrinkles
- Help shingles to lie flat and uniform
- Result in a better-looking roofing job

Shingle-Mate® Roof Deck Protection is a key part of the GAF Lifetime Roofing System*, and has even earned the prestigious Good Housekeeping Seal (applicable in U.S. only; see reverse).

SHINGLE-MATE®

Roof Deck Protection

Homeowner's Best Choice

- **Looks Better...** Fiberglass reinforced, so it lies flatter than conventional organic felt for a better-looking roof.
- **Lies Flatter...** Reduces the "telegraphing" of wrinkles that can occur with conventional organic felts.
- **Better Protection...** Eliminates the need to slit bubbled felt, which may be required when using conventional organic felt (this can compromise the weather-resistant integrity of your roofing system).
- **Peace Of Mind...** Up to a Lifetime Ltd. warranty when installed on Lifetime Shingle roofs.*

Professional's Best Choice

- **Avoid Downtime...** Rolls out quicker than organic felts.
- **Reduces Call-backs...** Due to elimination of bumpy-looking shingle jobs.
- **Easier To Use...** Lighter and easier to handle than #30 felt.
- **Versatile...** Can be applied over plywood, wood plank, and all other approved decks.
- **Great Value...** Competitively priced with #30 felt on a per square basis.

NOTE: Shingle-Mate® Roof Deck Protection must NOT be left exposed to moisture or precipitation.

Shingle-Mate® Roof Deck Protection vs. #30 Felt

Glass-reinforced to lie flatter	Yes	No
Reduces the telegraphing of wrinkles across the roof	Yes	No
Lightweight and easy to handle	Yes	No
Rolls swiftly in the cold, early morning	Yes	No
Four-square coverage for faster installation	Yes	No
Meets physical requirements of ASTM D226, D4869, and is UL classified	Yes	Varies
Part of GAF Lifetime Roofing System	Yes	No
Price Competitive †	Yes	Varies

†ShingleMate® Roof Deck Protection is often competitively priced with #30 organic felts on a per square basis (prices vary by market).

See The Difference!

Conventional organic felts can telegraph wrinkles through the roof shingles.

Shingle-Mate® Roof Deck Protection is fiberglass reinforced, so it lies flatter!

Product Specifications (Nom.)

Roll length 144 ft. (43.89 m)
 Roll width 36 in. (0.914 m)
 Roll weight Approx. 30 lbs. (13.6 kg) per roll
 Approx. coverage 4 squares (432 sq. ft. [40.13 m²])

Florida Building Code Approved

Meets or exceeds the physical requirements of ASTM D226, D4869, and is UL classified

LIFETIME SHINGLES COBRA ATTIC VENTILATION ROOF DECK PROTECTION LEAK BARRIER STARTER STRIP SHINGLES RIDGE CAP SHINGLES

*See GAF Shingle & Accessory Ltd. Warranty for complete coverage and restrictions. The word "Lifetime" means as long as the original individual owner(s) of a single-family detached residence (or the second owner(s) in certain circumstances) owns the property where the shingles and accessories are installed. For owners/structures not meeting the above criteria, Lifetime coverage is not applicable. Lifetime Ltd. warranty on accessories requires the use of at least three qualifying GAF accessories and the use of Lifetime Shingles.

The GAF Lifetime Roofing System has earned the prestigious Good Housekeeping Seal, which means that Good Housekeeping stands behind the products in this system. (Refer to Good Housekeeping Magazine for its consumer protection policy. Applicable in U.S. only.)
